MEMORANDUM FOR: Deputy for Field Activities, OSA

SUBJECT : Policy for pilots forced down in hostile territory

1. In order to be operationally ready to participate in SKYLARK operations all pilots must be thoroughly familiar with the subject policy. Because of other training commitments we feel that two weeks is the minimum time in which this training can be accomplished. Therefore it is urged that every effort be made to have subject paper signed prior to 15 October 1964.
